FOR

SUPPLY OF COMPUTERIZED ASSET, INVENTORY MAINTENANCE AND MANAGEMENT SYSTEM WITH BUSINESS INTELLIGENCE

TENDER NO. PITC/G-244(6)/10-2015

Clarifications of the queries from prospective bidders:

1. Page 6 point 4.5. line 2 please read "Support and Service" instead of "warranty"
2. Page 9 Form 2 of technical evaluation point 5 Please read "For end to end solution" instead of "For end to end solution covering all pilot and roll out sites"
3. This is regarding the query of Licenses please read following:

    Exact number of licenses will be finalized after the evaluation. This would be between 2 and 5 licenses initially. The bidders are requested to submit their prices for licenses, installation & configuration and training (for up to 10 users/admin). The venue for training will be provided by PITC in Lahore. Training is required to be conducted by experienced trainer for the proposed software / license.

    The total price quoted including software licenses, installation & configuration, training and support & services will be considered for the project award.
