Sr. #	Bidders Query	Relevant RFP section	PITC Response
M/S Nayatel			
1	Since bidders are allowed to quote LOT wise, mandatory requirement" Proof of at least two (2) successfully implemented Generative AI or Large Language Model (LLM) projects for consultancy services only" should not be applicable to LOT A and C. As this clause is relevant to LOT B only.	5-e-A Mandatory Factors	Agreed
2	Bidding Marks Clause E and G are relevant to LOT B only and its marking should not be considered for LOT A and LOT C.	5-e Bidding Marks	Agreed
3	For LOT C one month notice to be provided by customer for additional GPU required.	BOQ+ 3- Schedule of Supplies	Agreed
M/S Tech Access Pakistan (Pvt.) Ltd.			
4	Please confirm that all infrastructure services are required over cloud as a service model.	Page-2	Yes cloud should be hosted within Pakistan
5	Page 2, Abridgement, mentions the procurement of desktop computers. Confirm if desktop clients are required as a service. If yes, please state type and count	Page-3 Abridgment	It is a clerical mistake, removed from RFP
6	Technical evaluation, section E, require the listing of technical resources (consultants and skilled staff in data sciences). Please confirm if any resident engineers are required or is this only a technical evaluation.	5-e Bidding Marks	Its only technical evaluation
7	Kindly clarify if the cloud services must be hosted within Pakistan due to sensitivity of customer's data or any well-known international organization of repute can be chosen as a service provider.	-	Already Clarified in Sr. # 4
M/S Vulcan Tech			
8	Contradiction in Experience Requirements (Section 5 – Evaluation Criteria) The mandatory evaluation criteria lists two seemingly contradictory requirements: "Minimum one (1) year of supplies and services experience" Could you please clarify what the minimum required experience threshold is for a bidder to be considered eligible?	5-e-A Mandatory Factors	Minimum required experience threshold is one year.
